Greetings from Amazon Payments,

Thank you for adding a business bank account to your account on Aug 25, 2014. To verify ownership of this bank account and activate it for use, please upload a copy of your bank statement using our secure document upload service. To access the document upload page please sign into your Amazon Payments account and follow these instructions:

1. Click "Edit My Account Settings"
2. Click "Manage your bank accounts"
3. Click "Provide Documentation" next to the bank account you want to verify

Don't have a digital copy? You may fax a copy of your bank statement to our secure fax line: [1-800-887-0540](tel:1-800-887-0540) or [206-765-3424](tel:206-765-3424). Please be sure the following are included in your fax:

1. Email address on your Amazon Payments account.
2. The bank account number.
3. Account holder name.
4. Billing Address associated with your bank account.

The address on the bank account statement must be same as the contact address you provided at the time of registration.

One or two business days after your fax is received we will send you an e-mail message to confirm if your account information has been verified.

Thank you for using Amazon Payments.
